

My Dear Friends,

I think that we can all agree that 2020 has been a very unusual year. I don't need to rehash all of the issues, but know that we have had some challenges, yet God has been with us and our clients through all of it and He has been faithful to us.

Amid everything that has happened, God is doing a great work here through the staff, volunteers, and friends and I want to thank each of you who have partnered with us. Nothing gives more joy than to see and feel the love that a young mother has for her baby, which was once considered a mistake or a problem. The smile on her face gives light to her heart. The gift of hope that we share with each expectant mother is nothing short of a miracle.

Jeremiah 29:11 is often quoted in the pregnancy help center world.

We often focus on "For I know the plans I have you," declares the Lord, "plans to help you, and not harm you; plans to give you a hope and a future." Never has our world needed more HOPE than it does today. We have the opportunity to share a life-affirming, HOPE-giving message with those who need to see, feel, and know God's love.

Thank you for supporting us as we reach out with Hope and love during this season and all year long. Without Christ, there is no hope!

In His Service,

*Lisa Pearson, Life Affirming Specialist
Executive Director*
