## With a Thankful Heart!

Almost every woman who comes in our door is fighting a battle. She's likely unsure of the future of a relationship and there is a high possibility that she's unsure of her value as a person. The staff and volunteers realize the importance of the life that the mother is carrying in her womb and spend time listening to her concerns. At the end of the day, we want the pregnant mother to know that there is hope for she and her baby and that we will provide her with emotional and spiritual support as well as physical needs as she embarks upon this phase of her life.

In Order to provide free services to our clients, we have two major fund-raisers each year. October 13, 2018 at the Rosenberg Civic Center, the "Benefit for Life" fundraising event was truly a night of inspiration, encouragement and support. We were surrounded by a wonderful group of people who felt the heart of the ministry and came to say, we stand with you!

Our Speaker, Mrs. Sylvia Johnson Matthews, shared from her heart the importance of the work that we do and the lives that are impacted because of the Pregnancy Resource Medical Center. We had two wonderful mothers and their babies stand and share how PRMC helped them. One of them shared how the center has been such a blessing to them and how they share a bond with the other mothers that participate in the Learn, Earn and Plan classes. She went on to share how the classes have helped them be better mothers while also allowing them to receive things needed for their babies through our baby boutique. The evening was a beautiful experience and we were grateful to all those that supported us in this event. Thanks to God and our amazing donors, we raised over \$29,400. We are Thankful all year long for those that support and stand with us for "Life"

These funds will be used to change and save many lives. Thank you! If you didn't get to take part, it's not too late! You can donate Online and indicate that you're donating towards the Banquet. Just go to: [www.prmcfortbend.org/partner-with-us](http://www.prmcfortbend.org/partner-with-us)

# Client Story

Our Learn, Earn, and Plan program would like to give a special THANK YOU to Karina Zuniga and Bianca Saaverde. They are students who became close friends. Britany Guzman was our youngest student and being new in town, had not made many friends. Britany started coming to the L.E.A.P class and became very good friends with Karina and Bianca. When Britany went into labor, the girls were right there by her side. When visitors hours were over, both girls called me to see if I would go to the hospital to be with Britany. They wanted someone there who could help and make sure she was taken care of. So, without hesitation I grabbed my purse and headed to the hospital. Britany was very brave and in a lot of pain but still she gave me the biggest smile. It was 1am when the doctor showed up and checked to see how far along Britany was. They prepared her and after 1 hour of pushing, they decided to do a c-section. As I was getting ready to leave, Britany asked me to stay and be in the surgery room with her. She was so afraid. My heart went out to her and I was right by her side. It's an amazing experience seeing a baby coming into the world. The sound of the first cry. Such a beautiful baby! After Britany returned to her room she was so tired and very sleepy. I gave her a big hug, kiss on the forehead, and assured her that everything would be alright. She could hardly speak but managed to whisper, "Thank you for everything". Britany..., Thank you. I would do it again in a heartbeat. - Delia Rivera- Learn, Earn, and Plan Director
