## From the Director

*For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth.*

*Psalm 139:13-15 ESV*

### What does she believe about her value?

Almost every woman who comes in our door is fighting a battle. She's likely unsure of the future of a relationship, and there is a high possibility that she's unsure of her value as a person.

Many of the single women we see would tell us that should she end the physical aspect of her relationship, her boyfriend would leave. Of course, that thought gives rise to a fear that her only value is based not on who she is, but on what she will give up. It's a sad reality for a young woman, as even in the midst of a relationship, her heart is breaking.

Her battle is with her heart. Does she risk losing a boyfriend by doing the right thing and turning away from the physical side of the relationship? If she is pregnant, will she follow her heart that longs to give life? In either situation, will she give in to the pull of practicality in order to keep from losing what she has?

This ministry is about hearts. There are broken hearts, dulled hearts, wounded hearts, and all of them are longing hearts. Every heart longs to be filled with joy and that's our desire for every woman who comes in our door. A longing heart can only find joy through the hope of Jesus Christ. When we share this hope, we're seeing lives saved, one at a time.

Thank you to all of you who participate in this powerful mission, through your prayer, participation and your gifts. Those who see us are often in a battle, but because of you, hope reigns every day.

## Upcoming Events

### What is a Baby Bottle Boomerang (BBB) Fundraiser?

It's a 3-4 week campaign in which a church distributes baby bottles to those who elect to participate.

Participants are then encouraged to fill their bottles with coins, currency, and/or checks.

Bottles are returned on a designated Sunday, with all the proceeds going to support the life affirming ministries of Pregnancy Resource Medical Center.

### Why should your Church Participate?

It's a great way to inform your congregation about the sanctity of human life and raise funds for our pregnancy help center.

**Contact Us** to learn more and set up your BBB Campaign. Together we can continue to make a difference in the lives of women and children in the Fort Bend County.

# A Happy L.E.A.P. Reunion

(Learn, Earn and Plan)

"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."-Matthew 25:40. On January 19th, Pneuma Bible Study and Friends celebrated our wonderful families with a L.E.A.P. Reunion. Twenty-six families - one hundred and thirty individuals were able to come together to receive a free meal, toys for the tots and door prizes. We were so excited to see so many of our former clients and their families at the event. Thank you to Pneuma Bible Study and Friends for being so faithful and truly being the hands and feet of Jesus. And a special Thank you to Our Very Own, Delia Rivera L.E.A.P. Director, and event extraordinaire.

### Prayer Requests

Prayer is beautiful, as well as essential, a way of asking Our Lord's help and blessings. Even when God doesn't answer our prayers as we'd like, He gives us the grace to cope with our problems and tragedies better in any case. We are asking today for healing for one of our sweet clients, a little girl named "Faith Marie". Faith was born at only 2lbs, 14 ounces and with two holes in her heart. Please join us in Prayer for Faith, that God will restore her health and allow Faith to finally come home to Mom and Dad. We believe in a God that can, so let's stand together and see God continue to make miracles happen.
